Our mission is to facilitate the sustained recovery from drug and/or alcohol dependency, while assisting individuals to maintain an active and positive role in society. TWO TEN's philosophy is that individual's need to possess honesty, open-mindedness, and willingness to initiate a change in their lifestyle to deal with addiction/alcoholism.

PURPOSE:

Two Ten Recovery Inc. provides clean and sober housing for men and women coming out of residential treatment programs. We supply an environment that clients may continue the road to recovery, while residing in structured, drug and alcohol-free living accommodations. Our purpose in doing this is to ease the transition from treatment into society and to bolster and build a strong foundation from which clients can then successfully and independently succeed.

MANDATE:

The mandate of the project is to help individuals who have a desire to stay clean & sober and become productive members of society.
